# WELCOME FALCONS FANS

TO THE 2020 FOOTBALL SEASON >>>

## FALCON FAMILIES,

Excitement is in the air, energy is flowing, kids are suiting up, and once again it is time for Ranch Football!!! Needless to say the last few months have been unique and trying for each and every one of us, but there is something special that happens when we see our student athletes gearing up to battle on the field of play and give us another exciting football season. Last season the Falcons made another playoff run and remained as one of the top teams in the state, and although there have been some changes in the off season, this year's team has been working hard through individual workouts and as a team to finish even stronger than before. Some people out there may look at the shortened season as a loss of games and opportunities, but instead I challenge you to see it the way our team sees it- as a chance to pack the stands (per social distancing protocols) EVERY game to bring that Falcon Awesome energy to the team.

If there is one thing that COVID has taught us, it's that each moment is precious and valuable. Let's take these moments to cheer on our athletes, celebrate, and hopefully make a big run in the state playoffs. We are also very excited to have HRHS alum Tyson Lunquist at the helm this year; he not only brings a historical passion for HRHS and our kids, he has also worked hand and hand with our team throughout the years and is ready to help each player tap into their potential. I am so proud to be the principal of Highlands Ranch High School, and I am even more proud that these are the young people who will be representing us on the field of play. So sit back Falcons and enjoy every bit of the games and the season, make sure you know all the words to the fight song and join us as we yell from the rooftops HIGHLANDS WHAT!?!... HIGHLANDS RANCH!!!

**GO FALCONS!**

# HEAD COACH

HELLO FALCON FOOTBALL FAMILY AND WELCOME TO OUR 2020 FOOTBALL SEASON!!

This year has been with many challenges at many levels for so many people. Facing nothing but uncertainty at every turn we have been brought to this unusual season with several questions unanswered. The thought of postponement or even cancellation of one of the greatest events in a young man's life is something we never thought possible. Yet, here we are in 2020...gifted an abbreviated season surrounded with even more questions.

I bring to you a group of young men that have triumphed the doubt, persevered the pandemic and are more prepared than ever not just for a football season that they have earned, but a life journey that is just beginning. This season will be over before we know in its shortened span but will go down as one of the most memorable in recent history. I am honored beyond words to be leading this group of extraordinary athletes. On behalf of one of the best coaching staffs in the state, I am fired up to be "ALL IN" to present this year's 2020 Highlands Ranch Falcons.
